	<ul style="list-style-type: none">The majority ownership for PT RPR changed from Mr. Soemarli to Mrs. Almira Lie, who now owns 85% of the company's shares.Based on an Earthqualizer field investigation in Apr 2022, PT RPR was found to be selling FFB to PT Palmaris Raya's palm oil mill, which is a subsidiary of the Mr. Soemarli Group.				
	<ul style="list-style-type: none">GAR & Wilmar consider Mitra Bumi no longer linked to PT RPR, following Mr. Soemarli's divestment from PT RPR.Wilmar's last purchase from PT RPR was in Dec 2019. However, Mitra Bumi has entered their supply chain indirectly via GAR & appears on the Olenex (a Wilmar JV) mill list.Wilmar has communicated to their suppliers to stop sourcing from Mitra Bumi until the company complies with Wilmar's re-entry criteria, including that related to liability accrued while associated with PT RPR's non-compliant land development.
